

## 2011 ANNUAL REPORT

Helping Hand Me Downs was created in August of 2011. The organization's mission is to provide clothing and supplies to infants in need and support to their mothers.

During the first three months over 7,000 items were donated to Helping Hand Me Downs. Those items are sorted and distributed through our partner networks consisting of social workers and visiting nurses. Each box contains blankets, sleepers and outfits along with socks, hats, diapers, toys, and books. The mothers are encouraged to call us back if they need additional items. Below is a breakdown of our partners and the box distribution.
